The use of images (and videos) is essential for the progress of science and medical treatment. For this reason, I hereby grant my consent for the European Society of Gynecology to use all images and videos produced as a result of my treatment for scientific or educational purposes, even though my identity/my child's identity may be recognized. This includes the publication and reproduction in scientific journals, textbooks, scientific documentation, and electronic media forms (e.g. educational film, CD-ROM, DVD, electronic paper, databases, internet, etc.) This also includes usage as a cover illustration or for advertisement of such publications.

I also grant consent to link the illustrations with the clinical picture and medical therapy.
